**Tribute from Marilyn Blom**

Relation: Helena was my daughter in laws grandmother

Our family was privledged to know Helena and have her to our home on numerous family get togethers. She always had such interesting stories to tell and she loved to see the children. One of our relatives visiting from Scotland spent most of one afternoon at one of our gatherings talking with Helena and afterward said to me she just loved her and she was so inspiring she wanted to take her home with her. Thats the kind of effect she had on people. Such a lovely, sweet and kind woman she will be missed by all who had the pleasure of knowing her. Our deepest sympathy for your loss. The Blom Family
