

**REMEMBERING**  
**Henry Monti**

September 23, 1933 - November 10, 2013

With great sadness, the family said goodbye to our loving husband, father, grandfather, great grandfather, brother and uncle. Henry passed away peacefully in hospital surrounded by his lovely family.

He will be sadly missed by his loving wife of 62 years Marie, his children Glen (Bonnie), Brad (Deirdre), Lisa (Jarl), sisters Angie, Josephine (Perry), brather Jack (Cathy) and 8 grandchildren, Jamie, Julie, Christina, Patricia, Michelle, Kimberly, Jarrod and Jinet.

Predeceased by parents and brother Art. Henry was born on a float home on Cowichan Lake to Charlie and Dorothy Monti. He spent his entire life in the Cowichan Valley, where he worked many years in the logging industry as a faller. He was an avid sportsman, which included many hours of baseball, hockey, badminton, fishing, hunting, golfing and snow and waterskiing. He took pride in everything he did including mentoring his family. After retirement, Henry and Marie spent many winters south enjoying the sunshine. Henry touched the lives of many and will be sadly missed by family and friends.

No service at Henry's request. In lieu of flowers, donations can be made to the Canadian Lung Association on line at [www.lung.ca/donate](http://www.lung.ca/donate)
