H.W. Wallace Cremation and Burial Centre Staff send our condolences to family and friends.

Tribute from Hilary Abbott

Relation: Through the Cowichan community and the Shawnigan Lake School community.

Dear Dianna,

Please know our thoughts are with you and your extended family as you come to terms with the loss of a wonderful husband and family-man and we, members of the Cowichan Community, have lost a tremendous citizen.

A dear friend of Herbert's, Mike Fall, advised Shawnigan Lake School of your husband's passing.

Should there be a future celebration of life, we would welcome the opportunity to pay our respects to you and your family.

We extend best wishes as you travel a new and uncharted course, confident you will receive ample support from the loved-ones that surround you.

Yours most sincerely,

Hilary Abbott
Shawnigan Lake School

Tribute from Eileen Hillyard

Relation: Old friend of his wife

So very sorry to hear of Herbs passing Dianna. Although you two shared a long, lively and loving life together... it's somehow never enough it seems.

May you find some measure of comfort and peace during this difficult time.

Tribute from Miriam and Mike Fry

Relation: Since highschool, weâ€™ve known the Milino family and Herb

We are heartbroken for your family, Dianna. Herb was bigger than life and such a proud husband and father. We know you shared a deep love and friendship. Our heartfelt condolences to you and your wonderful family.

Tribute from Ray Sander

Relation: I first met Herb in the sixties when I attended Cow High and our paths crossed on numerous occasions over the years.

Hello Dianna,

Our thoughts and prayers go out to you, your immediate family, extended family and friends who are missing your beloved friend and partner. It is time to remember the wonderful pleasures and family you two built or enjoyed during your time together. Herb also loved his trucks and they never seemed to get dirty, how annoying.

Ray and Mary Anne
