Tribute from Cathy Wagner

Relation: neighbour,

Anne. Kaleema and Aliya (sorry I have a key that doesn't work anymore) when I read this and heard about it yesterday, my heart dropped. Hukum's heart was golden. He was amazing, strong in life and spirit, and would always stop you in the store and ask how were you doing, always with a smile that would light up a room. I am in shock, if you need anything, please fb or call, we are just down the road and our door is open.

Anne and family, I was shocked and saddened to hear of Hukam's passing. He was a lovely man and I enjoyed talking to him when he visited the office. And he was often so thoughtful in bringing our lunchtime treats - they were much enjoyed and appreciated. My sincere condolences and hope that soon tearful memories become smiles.
