John and Family

So very saddened to hear of Ilse passing, you are in our thoughts and prayers. Many, many fond memories over the years. God bless

Tribute from Ollie Bedlington

Relation: Old friend

I worked with Ilse at Economart and have been a friend for nearly 55 years. We never had cross words in all that time. She was a wonderful friend! We went camping to the Big Valley Jamboree in Saskatchewan and had so many laughs! Ilse and John have always been good friends along with there family.

Relation: When they moved to Powell River from Germany - many many years ago!

My daughter Resi told me of Ilse's passing. I have great memories when Ilse and her family moved to Powell River from Germany and attended Cranberry School and she was in my class. The fact that they couldn't speak English made them celebrities in our young eyes. I did reconnect with Ilse several years ago after meeting Trevor (through Resi) and talked to her on the phone. My sincere condolences to all her family.

Tribute from Karen Martiniuk

Relation: My Aunt. Mother's Sister.

Sincere condolences to my Uncle John and cousins Yvonne, Daryl, and Trevor. We've shared many family gatherings in our very younger years and I remember the fun times camping at Sprout Lake and summer visits at Springridge Crescent. Auntie will truly be missed. RIP Love Karen

Hello Uncle John and family. I'm very saddened to hear of Auntie Ilse's passing. I have some fond memories as a young child enjoying the pool and visiting you both in Victoria and Duncan. Auntie Ilse was always very welcoming and happy. I haven't seen you both in many years, but I still think of you often. You're in my thoughts and I send you my love and hugs, Uncle John.

From Andrea Martiniuk, and kids, Cameron, Ava, Nathan, and Carley.

So sorry to hear about this loss. I have the fondest memories of your Mom during my childhood in the Northridge area. Always made me feel so welcome and would give the best hugs!

Wishing all of you my deepest sympathy. She will be missed for her smile, and great sense of humor. I will miss seeing her at the casino too.

Dear John & family, I had not been up to date with local events and recently read about the passing of you wife (mother, grandmother) Ilse. Samantha (my daughter) and I would like to pass on our sincere condolences to you as you navigate this new path of your life. John, you were a special part of our family and a great inspiration to us. Your wife's sweetness and joy was ever present and your love for her evident in how you cared for her! Please let us know if there is any thing I can assist you with and know that you are in our thoughts.
