

REMEMBERING
Inez Joan Wallator

August 17, 1931 - August 20, 2013

Joan passed away peacefully at the Cowichan District Hospital in Duncan, BC.

Joan was born and raised in Edmonton Alberta. She married Herbert Thomas Wallator in 1952 and they lived in Edmonton, Hinton and then settled and raised their family in Jasper, Alberta. After Herb's passing in 1969, Joan took a job with the Canadian National Railway. She was an avid gardener, cook, knitter, needle worker, curler, hiker, cross-country skier and outdoor enthusiast in and around the Jasper area. Her love of the mountains was evident to all that knew her. She retired from the CN in 1993 and continued to live in Jasper, volunteering her time with various organizations in the town and continuing her many activities. Joan moved from the Rockies to Duncan, BC in 2003 where she joined the lawn bowling club, the Heritage Quilters (where she expanded her new found passion for quilting) and the Cowichan Valley Garden Club. She loved her quilting and her gardening.

Joan is survived by her daughter Carol (Ed) Henderson of Duncan; her sons Doug (Joan) Wallator of Ardrossan, AB; Calvin (Karen) Wallator of Brule, AB; Ken Wallator of Hinton AB; her brother Henry (Marie) Caley of Edmonton, AB; her sisters Sheila Roos of Surrey, BC; Pat Felker of Calgary, AB; Maureen (Clayton) McKee of Penticton, BC; her sister-in-law Pat (Brian) Hall of Gibsons, BC; her grandchildren Sean Henderson of Victoria, BC; Neal and Anna Wallator both of Red Deer, AB; as well as several nieces and nephews. Joan was pre-deceased by her husband, Herbert and her parents Charles and Inez Caley. She will be sadly missed by all.

The family wishes to extend their gratitude to the staff of 3rd floor South at the Cowichan District Hospital and to Drs. Robertson and Szabo, whose compassion helped make Joan's stay in the hospital as comfortable as possible. At Joan's request there will be no formal service. She would suggest you sit by a mountain

stream or in a beautiful garden and enjoy life to the fullest. In lieu of flowers, please make a donation to the Scleroderma Society of Canada. www.scleroderma.ca
