### **Tribute from Judy**

Relation: friend

Farewell Jake. Truly a life well lived. Thank you for bringing so much joy and love into Judy Ann's life. Rest easy now, and fly high with the angels.  
Feel no guilt in laughter, he'd know how much you care.  
Feel no sorrow in a smile that he is not here to share.  
You cannot grieve forever; he would not want you to.  
He'd hope that you could carry on the way you always do.  
So, talk about the good times and the way you showed you cared,  
The days you spent together, all the happiness you shared.  
Let memories surround you, a word someone may say  
Will suddenly recapture a time, an hour, a day,  
That brings him back as clearly as though he were still here,  
And fills you with the feeling that he is always near.  
For if you keep those moments, you will never be apart  
And he will live forever locked safely within your hear

### **Tribute from Ken Lutes**

Relation: friend

Condolences to Jake's family and loved ones on this terrible loss. Though we lost contact in recent years, Jake was a good friend and work-mate in the 80s when I lived in Victoria and I'll always be grateful for the laughs, the music and the thoughtfulness and kindness he brought into his daily life. I still consider myself an honorary associate of Jake & the Snakes and regret that we won't have the chance to play again.

Relation: Employees together

My condolences to Judy-Ann, Sara, Dylan, Travis, and Melinda and the other members of Jake's family. Working with Jake, for the Federal Government for over 10 years, and being one of the "Fabulous Snakettes", in Jake's, "Jake and the Snake", band are treasured memories. I still have the t-shirt he created, "The Show They Never Should Have Gave". Jake was always smiling and had a unique way of looking at the world. He was kind, he loved to laugh, loved to play music and he loved his family. He cared about his colleagues, and for the First Nation's communities and other groups he assisted through his job. Jake you will be missed.

**Tribute from Henry Leong**

Relation: Former co-worker and friend

My deepest sympathy to the family of Jake. Have known "Jakers" since joining him as employee with same federal government department in 1985. Jake was quick witted and loved to make others laugh. I got to know Jake even more through our government travels up and down Vancouver Island--and most times I'd end up with a stitch from laughing so hard. Jake was also our union shop steward and when he was called upon to mediate disputes, he adroitly settled them. His Jake and the Snakes with the Fabulous Snakettes group performed mainly to pay tribute to departing employees, and sometimes just to get together and party to manage everyday stress. Jakers....I miss you already!

**Tribute from Maggie MacLean**

Relation: friend

I read the Obituary in the local papers and said to myself, "I know him", and then I said, "I know them".... I met you both when you just moved into Chemainus and you purchased my little rebuilt Honda Civic.

I saw you two sing 'together' at the Willow St. tea room, not too long ago, and I said to myself: "Don't they make a neat duet"..... I found you both very entertaining and I really loved when you did a bit of harmony together, that was just 'sweet', in the musical sense, a nice sweet sound. As a couple up on stage, the connection was obvious.

The memories will be many and good, may they 'serve' you well'.

I guess 'jamming' with angels will be a pretty good gig eh?!

May your shared love & life together hold you still.

Maggie M.
