### **Tribute from Mike and April Page**

Relation: Friends

Jack was an amazing man and a great story teller. One of the best parts about going up to the Club to shoot was to see Jack. I helped him on many occasions with cleaning up the yard at the Club, loading targets and driving the tractor.

Jack always appreciated my help and everyone else's.

One day after helping out at the Club on a Saturday, Jack took me to Triple O's for a burger . He was always so kind and generous. I will miss him and I will miss his smiling face at the Club . Mike

Relation: Through my association as driver for Caldwell industry ( target manufacturer)

Linda , just found out about jacks passing , as I had not heard from Jack in some time I googled and was truly saddened by this news . Jack was such a good and thoughtful man in every aspect , I shall miss his e mails and commentary on issues that he held near to his heart . I wish you all the best we only talked on the phone on occasion but through Jack I knew you , take care .
