Tribute from Pat and Cheryl Solmie

Relation: Worked with Dobie

Dear Somerville's and Christine and Jas - Dobie was a very well respected and talented logger who made life easier for all those who worked alongside him including TW McKenzie, Dug Bell, and myself. He will certainly be missed by the logging community as well as the people of Lake Cowichan. We will especially miss our summertime chats which were filled with memories and laughs - he was always so positive. Unfortunately, we are in North Carolina so will miss the gathering but please know our thoughts are with you. Sincerely, Pat and Cheryl Solmie
