Relation: VERY GOOD FRIEND

Stuart & Family,

I am very sorry to hear of Janet's passing and I truly share in your grief as I feel I have also lost a very dear friend from the past especially the Buena Vista days. If I was granted just one wish it would be to see all my departed friends once more and to hear their voices. Take care and talk to you soon.

Stuart, sorry to hear about Jan. We didn't see her that often since she moved to B.C., but when we did the visits were great. I loved her sense of humour. If you get a chance, please contact my mother in Victoria (250 595 4346) she'd love to hear from you.

**Tribute from Nan Richardson**

Relation: good family friend

Stuart, it has been years since I saw Jan and even longer since I saw you. It's a shock to hear she is gone. In my mind I can still hear her laugh. I have kept the bunting bag she knit for my daughter Sara, 32 years ago and the sweater she knit for Luke, my son, 30 years ago, they were treasured gifts.

Relation: friend/past co-worker

Stuart

I believe I met you once, you probably don't recall, however Jan spoke of you often. I worked with Jan for many years in the Invermere Forest District office. She taught me how to do timekeeping and look after aircraft during fire season. I never saw her often after she moved to the coast, however she called me in 2003 when she was working at the SouthEast Fire Centre in Castlegar and asked if I would come help her. I said sure, but wasn't sure of how it would happen. Well, as we all know, Jan was capable of making anything happen, and I had approval to leave the next morning! I spent two weeks there with Jan, working together, long hours, and then having a nightcap together before doing it all again the next morning! We were so tired after two weeks we didn't know which was up, but would have a few laughs along the way! I was most shocked to hear of her passing. I had tried to keep in touch with her, but you know Jan - it is on her time and for those of us who knew her, we were ok with that! I had been thinking of her a lot just prior to her passing. Wish I would have just called her. Anyhow, I have a lot of fond memories of Jan, and will cherish them. My deepest sympathy to you and your family.

**Tribute from Lorraine Brash**

Relation: brother and community

Stu- so very sorry to read of Jan's passing. Some fond memories from Invermere; where did 30 years go? Somewhere between hang gliding events and life I guess.

Jan's enthusiasm and energy was so heartfelt as to be contagious. Too many years have passed - out of sight, but never out of mind.

**Tribute from Linda Ward**

Relation: Good old friend

It is hard to believe that Janet has passed. Since I have heard the news, a million memories of her and I have come to mind...and yes I laughed out loud at some of them. My...we used to get into trouble ! We grew up together and faced a lot of "stuff" together. She was always there for me when I needed her including helping me with my babies by being their "nanny". She is my daughter's Godmother.

Her home and family were very important to me when I was growing up and I have a lot of special memories of that.

We hadn't been in touch for several years and I regret that. I will miss her.

Take care Stu !
