**Tribute from Bob Peressini**

Relation: Cousin

Many many years since I last saw Janet. Highlight for me when I was young, every two years Janet and her family stopped in Blairmore to visit her grandfather. My condolences to Janet's family.

**Tribute from Christine Wilson**

Janet and I met when we were both 15 and in Grade 10 at Esquimalt High School. We became close friends and hung out through our teenage years and into our 20's. I think I spent more time at her parent's house than my own! I am so glad we reconnected a few years ago through Facebook and I was able to visit with her the past couple of years when we traveled on Vancouver Island. I have so many fond memories of our adventures together and time spent with her family. I am really going to

miss her.

Darrell McCormick and Family

I was shocked and saddened to read of Janet's passing. It seems so very many years ago that I worked with you and Janet at the sawmill. I got to know Janet quite well during those few years. She was someone who I judged as having "a good head on her shoulders." I remember her as being a cheerful person although I knew she didn't have a happy home life. I was very happy to hear that later you and her had become a couple. Over the years I would meet Janet in stores and we talked about our families. She was so proud of all the kids and you. My deepest sympathy to you and your family.

Sincerely,  
Myrna Valleau
