Tribute from Jennifer Dorby

Relation: Doghouse Co-Worker

My heart crumbles hearing this news. Jay was such a beautiful light. He was incredibly gentle, welcoming and someone I enjoyed spending time with a decade ago. I cherish those times scootering around the track after work and how he'd reach out when times got rough. My biggest condolences to the family and his friends. May his kind legacy live on.

Tribute from Yvonne McDonald

Relation: Doghouse co-worker and friend

Unbelievably shocking news in the immense loss of a memorable lovable friend. Jason was a true genuine kind, caring, warm, loving, compassionate person who loved deeply. He had an infectious smile lighting up the world along with his laughter and wonderful fun personality. Jay was a great co-worker who became a pleasurable friend to me. Jay your very frequent phone conversations which I loved have been deeply missed leaving a huge emptiness. Your loving friendship will be a treasured memory forever and I'll always love you. My deep sympathy condolences to Jay's loving partner Matt whom he loved very deeply also his Mom, Dad, sister, brother and precious Oma Willie. May you all find peace within from many happy memories you shared with Jay. Take care love Yvonne.....
