I am deeply saddened to hear the news about your Mom. She was a wonderful lady and I have many fond memories of her. Thinking of you all at this difficult time. You were all so blessed to have had her in your lives ..I hope your Mom will meet up with my Mom and they can catch up about the last 25 years. Sincerely Shelley

### **Tribute from David & Val Hignell**

Jean was such a community person. We first met her through the formation of the Eco Museum in the 80's and admired her thoroughly. Her wit and insight and her smile made a lasting impression. You must be very proud to be members of Jeans family. Our condolences to you.
