Tribute from Tina Heuser

Relation: Employee, friend

Your Mom was such a lovely person. I worked for her for a few years at Station Street Gallery and enjoyed every minute. She was such a lively, positive person who really loved life. She loved parties her own birthday parties included. She came in late I think on Fridays as she golfed that day and always came in chipper and happy. She really enjoyed people but she certainly was no pushover and could stand her ground when she had to. I always meant to go see her at Chemainus Health Center and regret I never did. A beautiful woman inside and out. I'm grateful, she touched my life
