Tribute from Heather Cameron

Relation: Workmates

Dear Linda and family,

I was so saddened to turn the page in today's paper and see Marie's face. She had been on my mind just last week. I wondered how she was doing. As you know, she and I go back to the good old days at the old Maple Bay school then over at the new school. So many memories. She was a gem and she will be missed by so many. I'm grateful for having the opportunity to know and work with her. Sincere condolences and hugs to you Heather

Tribute from Sherry Olson

Relation: Friend, colleague

Linda, Kathy and all of Marie's family-

I was sorry to hear of Marie's passing. I worked for many years with Marie at Alex Aitken. She was such a supportive colleague and good friend. She was such a support in the early days of telecommunication in the classroom, we forged our way forward together. I know how proud she was of her family and her grandchildren. Sending my heartfelt condolences.
