
REMEMBERING

Jeannie McCool

Died: October 16, 2021

With deep sadness we announce the peaceful passing of Jeannie Marie McCool on Oct 16. Left behind to mourn are her husband Milton, children, Sarah (Jeremy, Grace and Rowan) and Mark (Kate, Marley) as well her siblings Ken, Sherri and Lori.

Her greatest joy was spending time with her family in her little piece of paradise, Honeymoon Bay. There, Jeannie would spend time painting, walking the beaches and teaching her grandchildren how to swim. Her memory will remain alive in our hearts, she will be dearly missed

A celebration of life in honour of Jeannie may be announced at a future date, flowers declined with gratitude.
