Relation: neighbours and family friends

Dear family, I am so sorry to hear of Jennifer's passing. We have known your family since we met in Honeymoon Bay in the early 80's. We were neighbours for a while and also friends with her Mom and Dad. She fought a good battle, unfortunately the disease won. She will be missed by many. Love and sympathy to all.

**Tribute from Jean Porter (nee Jacob)**

Relation: childhood friend

My deepest condolences to Jennifer's family. I loved re-connecting with her online after so many years. I will truly miss her wonderful sense of humour. Much love to her husband and daughters. To Kathy, Jeff and Eric, I too have experienced the loss of a sibling, my brother Mike, and it leaves a deep hole. I wish you were not experiencing this. Much love to Peter and Pearl. No parent should have to experience this type of loss. If I could be there to hug you all, I would, but know I am wrapping you all up in the biggest virtual hug I can send.

Sending the van Buiten and Simonson families condolences and hugs. Jennifer was taken from you too soon. Very fond memories of our visits to the van Buiten home in mill bay, seems like an eternity ago. You are all in our thoughts.
