We are so saddened for the loss of your son Jeran. We had the pleasure of working with Jeran when we built our house and then later befriended him and followed his loving stories of the joy he so

shared for his son. He clearly loved the business he was building in the cowichan Valley as it showed in his work and commitment. Please accept our deepest condolences. Brad Harper And Brenda Penn

My heart goes out to you and your family on this very sad time. Jeran grew to be a fine man and a wonderful father. I recently saw Jeran here at the ridge and had a brief conversation with him. I will not be able to attend his service as I am out of town this weekend, but my thoughts and prayers are with you. Mike & Deb Murphy
