Tribute from Olga Roberts

Relation: Downtown Duncan Community

I have just read about Joan's passing and wanted to share my feelings of gratitude for having had the

opportunity to count her as a dear friend and most caring person in our community. I knew Joan from Resthouse Sleep Solutions where she took the time to visit me often; I will miss her coming by. Though some days were a struggle for her to communicate, by taking her time, Joan was able to share many a story with me, with us often ending up with a laugh and giggles. I was lucky to have had lunch with her at the centre around the corner, which was also fun, as well as having had a nice visit with her at home a while ago already. She spoke often of her children (some of you whom I have had the pleasure of meeting) and grandchildren, and it was apparent how much she so deeply cared for and loved her family. I am sorry for your loss and I am sending warm wishes to you all, especially Alan whom I have had the pleasure of spending short spurts of time with also.
