Relation: Family friend 1975-1999?

I have only recently heard about Joans passing, I used to work with Joan when she cooked at the Greenhaven restaurant and my husband Tom and I became good friends with Ian and Joan. We visited regularly and camped with them also, celebrated with them with all the arrivals of the boys. Although our relationship waned as we raised our families at different stages, we mourned Ian's sudden passing and now Joan has gone to meet him. I know she was very proud of her boys.
