Tribute from Jillian Benwell

Relation: Through School District #79

Joan was a lovely lady, always had a smile & a kind word for you. She was my father's Secretary when he was principal of Cowichan Secondary School in the 'early' days & I worked at the School Board Office with her years later. She will be missed by all who knew her.

Tribute from Bill Jory

Relation: work at the school board office

Joan was always positive, cooperative and helpful even when she didn't always agree with what I was doing! Our 5 years working together were good humoured and enjoyable. Her family will miss her very much.

Tribute from Andrew Selder

Relation: through work at the school board office

Since I started to work at the school district office Joan had been a constant presence. Her good humour and welcoming manner helped create a positive work place. I have appreciated Joan's support over my career. After retirement we seemed to meet frequently on walks, mainly at the Sportplex where Joan greeted us with a happy smile and we caught up on each other's news. . Joan will be greatly missed. Regina and I are sorry for the family's loss, our thoughts are with them.

Tribute from Susan Wood Prangley

Relation: friend

I just saw this notice and am so sorry to have missed the Celebration of Life for Joan. Such a wonderful lady. Started working with her at the Crofton Mill when I got out of school. She started right

after I did at the School Board Office in Duncan. We had many fun years together. She was a lovely friend and so easy to work with. She will be missed by all who knew her.

Tribute from Theresa Chester
