H.W. Wallace Cremation and Burial Centre Staff send our condolences to family and friends.

Tribute from Jim Gilchrist

Relation: Family Friend

Murray, Bev, Leslie and Joan - I just heard about your Dad and want to pass along best wishes. Very sorry to hear this. As you may or may know, I lost Dad 15 years ago now. The two of them - my Dad and yours were always fun to be around when they were together. Your Dad brought out the devil in mine and it was fun to be around. Fun to watch. I always enjoyed the times the families spent together and miss those days.

I hope you are all well, my best wishes and sincerest condolences to all of you. Your Dad was one of the very good ones.

Jim

Tribute from Melissa

Relation: Relationship - How did you know the deceased?

Words can't describe the heartbreaking feeling when I opened the paper today.

I am so glad Jack is at peace and with Hazel. I've known Jack and family since the start of my career, the love this family shows is amazing. I had the honour of working with both Jack and Hazel when they became residents at Stanford in Parksville, after Hazel's passing Jack's companions took him many times to the 2010 Olympics and the stories he shared, when he moved to Cowichan Lodge he recognized my face and it was great to see him and Leslie and Bee.

I am so sorry for your loss! I can hear the whistling and the "ahha" a sound that will forever I will hold dearly with such fond and wonderful memories thanks for letting me get to know your dad!

Tribute from Ruth Thom & Family

Relation: Relationship - How did you know the deceased?

To Doctor John "Jack" Greenway's Family - sorry to read of Doctor "Jack's" passing. It was a pleasure to visit with "Jack" at Sunridge and talk about our mutual friends, Mit and Jack of Abbotsford. "Jack" was a special person. Our deepest sympathy, Ruth Thom and Family.

Tribute from Mel McIntosh

Relation: Family Farm Veterinarian

Read of Jack's passing in the Abbotsford paper. He was always a delight whether at the farm, as a guest speaker at 4-H meetings, at 4-H beef cattle judging events or in his Acme office. Where that VW beetle wouldn't go probably wasn't worth going. Jack was a true gentleman, and was highly respected in Acme and the area he served.

Tribute from Bob Johnson

Relation: Friend of the family

Murray, Bev, Leslie, and Joanie:

Your family was so terrific to me and our eclectic group for friends.

And sadly we have had to say good bye to Hazel and now Jack.

I have warm thoughts of the many adventures we took together.

May you have peace in your hearts.

Warmly:

Bob Johnson and Leone.

Tribute from Leslie Healy

Relation: Friend and then care aid

Dear Greenway Family, it was such a privileged to have been part of your Dad's life... I cannot express what a wonderful, loving and caring man he was, he certainly filled a void that the passing of my own father left (and that's why I adopted him) Memories will now be so very important to you xoxox

Tribute from Tim Church

Relation: Neighbour from near Acme & Carbon Alberta

To the family, I am the son of Harry Church who farmed east of Carbon, within the 50 mile radius you spoke of in the obituary.

I thought you may be interested to know, that every time my father spoke about where he was and what he was doing when President John F Kennedy was assassinated, November 22 1963, he told the story of how Jack Greenway was at farm that morning "preg" checking cows, and when they came in for lunch my mother told them of the awful news. So now you know where your Dad was on that specific day, and my father thought the world of Jack, and spoke of him with fondness over all the times they worked together.
