Relation: Very good Friend

R.I.P. Johnny.

You had a heart of gold and lived life to the fullest. Your energy, love and passion enriched the life of everyone who knew you. You were the best friend a man could ask for in this life.

I feel John's loss very deeply, and share in all the family's pain. My deepest sympathy and condolences to all who knew and loved him.

You were my best friend Johnny!! I'm a better person for having known you; I will miss you forever and my life is lessened by the lack of you being in it anymore.
