Tribute from Michael landygo

Relation: Uncle

You will be missed by all of us. Even though you moved to BC many years ago you and aunt Lynne have always remained close to me, where it counts, on the inside. You reminded me of my dad (your brother Bill) and that has a special place in my memories. I'm sad you're not here anymore, but I'm happy you were part of my life.

You and aunt Lynne always made me and my family feel so welcome, your home was our home. I know Trinity and Paula always told me how great it was to spend time with the both of you. And I'm so grateful for all the times we got to visit with you.

I will miss you very much uncle John.
