Tribute from Glenda & Hugh Price

Relation: Neighbour

JoAnne, this is such a beautiful tribute to Dave. I enjoyed reading about his earlier days and the times he had. We got lucky when you two moved to Shawnigan Lake, we knew right away that you'd be great neighbours. I loved how easy it was to talk to Dave and boy, did he have some great stories to tell. One of my favourite memories of Dave was on a hot summer afternoon, Hugh and I were sitting on our porch trying to keep cool and then Dave came walking across the street with two ice cream cones, he said he wanted us to share his joy. We did!

We will miss him xoxoxo

Hugh & Glenda

Tribute from Jeannine Chudzik and Ben Vorst

Relation: met through JoAnne Schneider

What a beautifully written tribute to Dave. We enjoyed learning about his earlier years and his passions throughout his life. He exemplified that "curiosity is generosity" and put others at ease and open to sharing, bringing out what was special in them. We are glad he is at peace and fulfilled a life well-lived.
