### **Tribute from Sandi Atkins**

I am so sorry for your loss. I never met this gentle bear of a man but learned at little of him as I pieced together the memory quilt made of his shirts and ties. I learned of a man with a passion for rugby and rowing along with the last be for the teammates he shared these sports with. The love of his family and the sadness his passing brings is difficult but , for those he leaves behind ,I know you shared in the life of a wonderful man and for that you must be grateful

### **Tribute from Gerald Van Yerxa**

Relation: I went to school with Allan

Very sorry to hear about his passing. I was a classmate of Allan's in all the years he attended Brentwood & then graduating in 1976. I remember him as an amazing rugby and rowing athlete and very loyal to his friends. My prayers to his entire family and close friends.

**Tribute from Steve Titus and Laura Ferreira**

Relation: We worked together at Brentwood College.

We were sorry to hear of Allan's passing. Unfortunately we will be unable to be at his Celebration of Life tomorrow at Brentwood College. I have fond memories of our trips towing the rowing shells to St Catherine's and working with Allan at the boathouse, on the waterfront and at regattas. We spent many happy times together in those days. We send our sincere condolences to all Allan's family and friends. Steve and Laura
