Tribute from Andra Mabee

Relation: Friend

My heartfelt sympathies to his partner Lorna, to Joseph's Mother Maria, his siblings and all of his family. Joseph was a brother of my friend Emma. I was in awe of Joseph's abilities as a musician and told him so. He added me on Facebook and we became friends. I became the evil recipe poster (jokingly) I enjoyed my many conversations with him and we always stayed in touch until he became sick. His music gives me happiness knowing that long after he is gone it will be appreciated . I will miss his posts about my recipe's and our chats. Rest well my friend , peace now belongs to you. I will always remember your kindness.....

Tribute from Mark Clifford

Relation: Long time friend and partner in rhyme and deep conversation

I am deeply saddened to read about losing my good friend Joe. We were good and close friends for many many years. We met and began collaborating musically and developing a deep friendship that had it's ups and downs like any true relationship. We always rebounded and kept our friendship intact. One always has regrets when we lose someone spiritually close to us but I am blessed to have spent so much 'real' time with good intention with Joe be it in person or on the phone. Many many memories. Rest in Peace now Joe...MY FRIEND JOE.
