

REMEMBERING
Joseph Frumento

February 3, 1922 - May 22, 2013

Joe passed away peacefully at home May 22nd. Joe leaves behind his son Earl (Frieda), daughter Donna (Keith), granddaughters Sarah (Greg), Jennifer (Chad), nieces and nephews. He is predeceased by his wife Catherine, brother Pat, and sister Lil.

Joe began working as a Log Buyer for BCFP in the mid sixties. He was hired by Herb Doman and became Vice-President of Doman Industries, where he enjoyed a very successful career. Joe was highly respected by all he worked with.

The last five years of Joe's life were spent in Cobble Hill on Keith and Donna's property where he was able to enjoy his "love of life" and the nature that surrounded him.

The family would like to thank his wonderful caregivers, Lou and Elaine for making his final days so happy. Also Dr. Watson, the RN's, and Care Aids.

A gathering of family and friends will be held at a later date.

We love you Dad ... and will always miss you.
