Relation: dear driend

Two weeks have passed and we still can't believe she is gone. The last 20 years with our friend Joyce--
Wayne teaching her how to make wine. Us all playing beer can golf (in the dark and in the rain too). ,A camp bus trip to Reno. A new bean bag game (she gave up and became our dedicated scorekeeper) Wayne spending hours with her on her new computer (the one she said she'd never have) Finally got her on a plane to the beautiful white sand beaches of Puerto Morelos , Mexico in an amazing condo (only separated from the beach by the pool) A boat ride out to the reef to watch us snorkel. The beach bar a short walk down the beach, and the margarita's.. The trip to Puerto Vallarta, where she walked 5 miles a day, rode those crazy Mexican busses, drank margarita's at 10 am, and shopped and shopped. Always laughing, always smiling.. Her quiet mornings with Wayne on each trip, while Roland and I were still sleeping. She truly was Wayne's '"grasshopper, ' and we miss her very much
