Hi John & Family

Tom and I would like to extend our heartfelt condolences to you and your family. We were shocked and saddened by Judy's passing. I will always have very fond memories of our times on the tennis court! Please take care...and if you are ever visiting White Rock...come and visit us. Love P & T

I am so sorry to hear of Judy's passing. I am glad that it was peaceful and that you were all there with her at the end.

I met Judy at UBC in '59 when we were neighbours at Anne Westbrook, a dorm for women. I was very pleased to meet her again at the White Rock Tennis club and renew our friendship. As well as playing tennis, Judy was a good and energetic walking companion and loved my passion for the New York Times crossword. I have thought of her often since she moved away and I am sorry we did not keep in touch.

My sincere condolences on the loss of a wonderful woman.

Mai
