REMEMBERING

Kandiss Renae Dougan

January 10, 2023

With broken hearts we announce the peaceful passing of Kandiss in the early morning hours of January 10, 2023. Left to grieve are her husband Scott, sons Jay and Troy (Jennifer), granddaughter Kalysta and grandson Easton. Also left are her brothers Dennis (Nina) and Ken along with sisters Blanche and Lenna, as well as her cherished nieces and nephews. Taken far too soon from her life were her daughter, Brandee and her nephews, Chad and Todd.

Kandiss faced many challenges throughout her life and navigated her way through. She was also a true warrior when it came to protecting the ones she loved.

All who had the privilege of attending, will remember her fabulous dinner parties, gourmet cooking, her love of music, laughter, and beautiful flowers throughout her yard. She was loved deeply and will be missed immensely.

She never gave up and remained strong until the end but God had other plans.

Although our hearts are broken, we find comfort in knowing that when we meet again in our immortal home, there will be no more sorrow, no more tears, and no more pain.

In memory of Kandiss, find a quiet spot in a beautiful garden and enjoy some of your favorite music while remembering times shared.

A celebration of Kandiss' life will be planned and held in the spring.
