Kate- even though I didn't know you for very long, you were an inspiration to me. You filled a room with your love of life and laughter. I know your dad and mum came to collect you and I know you found comfort in that. I know you are at peace now but you will be very dearly missed by all. You are a very special lady and I want you to know you touched everyone you met along the way. You inspired so many people and touched so many. Your light will always shine and I am sure we will feel your presence from time to time, reminding us all to live our lives to the full and with laughter in our hearts and minds. You will be missed my dear lady, you were loved by so many. You filled a room with your love of life and laughter, we can only be grateful to have known you and had you as part of our lives.

All my love, thoughts and prayers to all Katherine's family. We will miss her dearly but she stays on in the memories from years gone by. Special ones from when we were young and Katherine, Jim, Mary and Jeanette lived with their folk -- our Aunt Sadie and Uncle Jimmy on Burnside Rd in Victoria and we "other Quin's" lived over on Quadra St. These memories we have forever.

Dearest Laura and Dan....it has been a very long time since I have spoken or seen you and your family, but I think often of our fun times at your home in Cultus and the many summers we spent there.

Kathy was an amazing, upbeat person full of life. She opened her home to us all the time and she made me feel so welcome all the time. Carla was kind enough to send me the information about Kathy and I wanted to extend my sincere condolences to all of you. I know you must miss her terribly, but I am sure have a ton of absolutely wonderful memories of her that will fill you for a lifetime.

Sending love to your family. Take care of yourselves!

Laura, Dan, Jacob, and Quin,

We are so sorry to hear of your Mom/Grandma's passing. Although I never met her, I always heard such wonderful things about her. She sounded like a lovely woman. My mother always spoke so highly of her. She only had kind and loving words for Kate. We are really sorry for your loss.

**Tribute from Roger Floyd**

Relation: Friend and Co-worker

My deepest condolences to family and friends of Kate. I worked with Kate at the Chilliwack Health Unit until her retirement. I took over her role as the BCGEU steward until my own retirement. I also knew her outside of work with involvement in political campaigns and as friends. She was an incredible person to work with and a champion of women's rights and equal rights for all people. She will be greatly missed by all that had come to know her. So long my friend!

My heart breaks for all of you. Your mom/grandma was such a vibrant spirit who really knew how to live life to the fullest. Kate and my mom at one point talked about getting a matching tattoo. I wouldn't be surprised to find out that they're doing it together now.
