Dear Don and family, it was with sadness that we heard this news. It gave us an opportunity to reflect again on those special years in Prince George. It was always a pleasure to go to work and Kathy was such a special person. Those pictures of she, Tracy, and Diane say it all. Once again our sincere condolences. Bruce and Sue.

Tribute from Leo McFarland

Relation: Cousin

My thoughts and prayers are with Kathleen's family and friends as they mourn her passing and

celebrate her life. While it has been many years, I cherish the fond memories of many family visits and more than a few country fairs. I cherish those time to this day and Kathleen will remain a part of those memories. May you likewise be comforted by your memories in the days, weeks, months, and years to come.
