Kat was a dear friend. We met years ago at different doll events and hit it off. She had so many interests and loved her family so much--both the human kind and the furry kind! I always told her she was the best doggie mommy I knew! I'm still having a hard time wrapping my head around this. To all her family, much love and peace. Kat, you will always be missed. Jo

Kathy was always kind and her quick "one liners" could make us laugh. We share your sadness and will treasure our memories of her.

My heart hurts to hear of the passing of my sweet, gentle friend, Kathy. Being doll collectors brought us together in friendship & when we travelled to Seattle, Vancouver or up island or to a doll event, we were often roommates and that is when I discovered Kathy's dry sense of humor & how delightful it was to be her friend - oh, the laughter. Her soul was pure, her spirit was kind, and her heart was genuine. She was the best of the best. I will miss her so much. Sending my deepest sorrow to her family.
