My deepest condolences in the immense loss of your Father..He was a sincere kind caring gentleman a one of a kind individual..I worked as a waitress supervisor @ the Bluenose Restaurant in Cowichan Bay for many years where Keith & Louise (his beautiful charming wife )patronized especially him..He continued coming in after her passing where he had many friends to visit in comfort with..He was like a bright beacon light always shining with a glow of sparkling happiness..I lost contact for awhile but reconnected a few years ago when he was in the Specialist office with Noella whom I met @ that time very lovely lady..He came to the 39 Days of July festival for the music & dancing lucky I got a few in what a great dancer he was..He'd dance @ Senior's Center also he told me which amazed me how he truly thrived on it..He will be missed by many..May all your precious lovely memories you've made over the years be comforting as you heal each day forward..Take care love Yvonne.....
