Tribute from Craig Little

Relation: Worked together

All of us at Arbutus RV feel honoured to have had Keith touch our lives for so many years. Daily we enjoyed witnessing his spirit and dedication to life and to his fellow Arbutus family members. Always committed to what was best for the "Company" and those around him.

It is with much fondness that Keith will be remembered as we gather and plant a tree in his honour, symbolizing his commitment to always being there for us!

Tribute from Samantha

Relation: I work in the lab

I was so sorry to open the paper today and see Keith's name in the obituaries. I work in the lab and even though I saw lots of patients every day, he was one of my all time favorites, whom I will always remember.

All of us in the lab were sad to hear of his passing, and will miss him coming in to see us and share a laugh... wherever you are Keith I hope you have a smile on your face and you are enjoying yourself .
