Tribute from DR. WAYNE DWERNYCHUK

Relation: Keith hired me for my first job.

Keith hired me for a position at Beak on Oct. 1974, Shortly following my first couple months at work a personal tragedy occurred and Keith, Susan, and Justin provided an overwhelming source of compassion, advice, and true friendship, not to mention many, many dinners for me and my daughter. Keith's good heart was a god send to us. I am truly saddened by his passing. My sincere condolences to all members of his family.
