Tribute from Mitch Guindon

Kenny was a huge inspiration to me in my teenage years. I was one of the many BMX riders that spent countless hours riding the ramp that was across the road from the Chow's house. Kenny always pushed us to achieve higher goals than we believed were possible. I will forever remember his incredible sense of humor and his bright spirit.

Tribute from Syd Clark

Relation: friend

My heart goes out to Gord and his parents. Kenny was such a huge part of life during my early skateboard years. He had such amazing style on his board and always encouraged me to push myself on my board. I'm very proud to say Natural Progression was my first sponsor. Growing up in Nanaimo, I always felt like Duncan was my second home. It was Kenny and Gord that made me feel at home there. Kenny was an integral part of who and where I am at today. I'm so saddened by his passing and want to send a huge hug to Gord and his family.
