My Uncle Ken. It is difficult to imagine we will not see you again on this earth, hear your laugh, see your smile, and revel in your jokes and stories from your/our past. You are the last of a generation, shared by all of your relatives. We will miss you.

Uncle Ken you will be missed I always loved our interactions and your sense of humour. I also know Paige and Natalie will miss you dearly. Paige loved the stories about our history and life growing up with the Gibbs boys in the farm in Sask.

Tribute from Ingrid Schanzenbacher

Relation: I was his accountant for many years.

Dear Mary

Please accept my deepest condolences on the loss of your soul mate. I'll always remember Ken as the person that always made me laugh with his quick wit and his trying to give me a hard time just so that I would give him a hard time back. He really liked the word play. So did I.

Ingrid

Tribute from Ken and Bev Haggett

Relation: Next door neighbors

We met Ken and Mary when we moved next door to them over 15 years ago. We have enjoyed many

times together playing cards, having coffee, sitting in the garage chatting while watching the comings and goings in the street, or just giving a friendly wave as we came to and from home!

Both the fellows had the same first name, so Ken G, was always referred to as Ken#1, and then there was Ken#2. He really was #1 to everyone who knew him. Such a kind, loving and caring man....with a wonderful sense of humor that always kept us laughing! We will miss you Ken....our neighborhood will never be the same without you. Rest In Peace.
