Tribute from Lynn Ketch

Relation: none

I did not know your brother, but after reading your beautiful and heartfelt expressions in the newspaper today, I was compelled to send my sincere condolences for your loss.

Tribute from Cynthia Warren

Relation: peripherally

I knew Kenny through mutual Montreal friends in the early 70s. Although he had his struggles, he had something endearing about him that touched the people who knew him. I lived with my grandmother on an acreage outside Calgary in the late 70's and early 80's, and in one of those crazy coincidences, Kenny ended up renting the house next door. I have just moved to the Island from Vancouver, and picked up the Cowichan news on a whim, and in another amazing coincidence, found Kenny's obituary. Please know how sad I am to hear of his passing.
