A loving Father who was Always a Gentleman, with the kindest heart.

Thank you Dad for your "Unconditional Love."

Dad was a logger at Copper Canyon, Caycuse and camps up Northern Vancouver Island. He had fond memories of his co-workers and friends as a logger.

Dad as a lad, trained daily with his Uncle Edgar, he was inducted to the "Victoria Sports Hall of Fame" for his soccer finesse.

Dad will always be in our hearts and fondly remembered as a kind, loving father who taught by example. His journey here blessed us with 92 years. Thank You Lord Jesus.

Hands Up to family, friends and the community who supports us during this very difficult time.
