Kenney Dorothy Freada: born August 9, 1925 passed away peacefully on June 16, 2011. She was predeceased by her husband Douglas Arthur in 1995. Dorothy was a kind, loving and generous lady. Family was the center of her life and she loved family gatherings - one of which she attended just four days before her death. We will all miss the smell of her homemade bread and apple pies!

The family would like to thank Dr. Dan Phillipson for his many years of care and compassion and also the folks at The Meadows where she very much enjoyed living.
