Tribute from Patty Marshall

Relation: Friend

I was in the delivery room with Debra the day Kory was born and not only did I have the joy of seeing him take his first breath in this world but also was there to watch him grow up and find his own way in this world. Kory was always such a kind, caring and loving young man who will be desperately missed by so many. My heart breaks for the loss that Kory's entire family is feeling at this sad time. My deepest and sincerest condolences go out to each and everyone who is feeling this incredible loss.
