

REMEMBERING
Kory Du Temple

June 4, 1986 - May 29, 2020

Kory left this world far too early. We can all get a little comfort knowing Kory passed while enjoying a favorite pastime with close friends by his side.

He leaves behind two awesome little boys and their Mom, a brother and his family, nieces, nephews, in-laws and Mother.

His boys will always cherish their fishing trips, their quadding trips and their time spent with their Dad.

With Covid 19 running the show these days the family is unable to hold a Celebration for Kory at this time. In due time, we will Celebrate Kory's life and hope you will all join us in doing so.
