My thoughts are with you during this difficult time; hoping you find strength in memories and the comfort from family and close friends.

**Tribute from Dave Dougan**

Relation: I played ice hockey with Larry for many years.

Mrs. Hearn, Laverne, Rosemary and families - I was very sorry to read of Larry's passing and my condolences to all of you. I enjoyed playing Thursday night hockey at Kerry Park with Larry for several years - mostly playing defence in front of him while he was tending goal. I will never forget him yelling out "get him out of here!" whenever an opposing player would get into a potential scoring position! He was always positive and never let any of the pucks that got by him bother him. Thanks for the great great memories Larry!
