

REMEMBERING Larry Hearn

September 22, 1957 - April 17, 2021

HEARN, Larry Walter

September 22, 1957 - April 17, 2021

Larry was born in Duncan and grew up in Cobble Hill. Sadly, Larry passed away April 17, 2021 at Cowichan District Hospital.

Over the years Larry volunteered at Cowichan Therapeutic Riding Association and enjoyed playing sports with Special Olympics, sailing and riding his motorcycle.

Larry had many health challenges for the last few years but always remained cheerful. He enjoyed playing games, listening to his vast CD collection, writing stories and going fishing.

Larry was predeceased by his dad, Walt. He is survived by his mother, Leona, and sisters LaVerne (Rand) and Rosemary (Dale), nieces and nephews.

Thank you to Michael from Inclusive Community Services for engaging Larry in activities in the community. Thank you to Dr. Glen Robinson and Dr. Roy Gilbert for your care and compassion over the years. A special thank you to all the incredible people at The Arbours - Sunridge Place where Larry resided for the past 7 years.
