Relation: Good Friends

Our sympathies go out to Laurie's many loved ones, family and friends. We know that everyone will miss her being here with us; but, if you need a shining light when your seas are stormy or calm, just think of Laurie's smile and loving hugs, and she will be there with you.

We love you, Laurie!

Tribute from Connie Lahaise

Relation: my sisters best friend

Don my heart goes out to you and lauries boys. Take care of yourself as you grieve

Tribute from Leah and Ray Bradford

Relation: cousin of Laurie

We were shocked by the sudden passing of Laurie especially after she had overcome so many medical hurdles before. We are thinking of Auntie Carole, Uncle Gordie, Laurie's sister, Val, as well as Laurie's kids, Matthew and Michael. This is a very tough time for them as well as Don and many friends. We will always remember Laurie's hearty laugh and lovely smile. Leah and Ray Bradford

Tribute from Deborah Anne Kimberley

Relation: cousin

My heart goes out to Laurie's boys. I know what it is like to grow up with a parent who has Crohn's Disease. May she rest in peace now.

Tribute from Sharlene Russell

Relation: Laurie was my closest best friend

Several days have gone by since your passing Laurie, and it is still the hardest thing to come to terms with. I miss you so much Laurie. One thing I will still stand proud of is our 43 years of friendship that we shared. We've been through thick and thin and I was so bless to have you as part of my life. Till we meet again.....love you!
