Love you, Dad: things just are not the same around 9190 without you here. But, I know wherever life takes me from here you will always live in my heart and in the many happy memories I have gathered over the 42 years I was lucky enough to have you as part of my life. And, I know that I didn't always say it when I should of, so I am saying it now, Thank You Dad, so much, for all the sacrifices that you made so that Matt and I could have the things we wanted, you were such a good dad to us, love you.
