I knew Les well through high school. We caught up a few years ago in Palm Desert where I met Katherine. He was a wonderful, thoughtful person (and even a reasonable golfer). Our thoughts are with you.

Tribute from Lorraine BENTY (Dobson)

Relation: Neighbour

Hi dear I am Leslie's old neighbour. Danny Leslie Elaine and I had such fun. Here is my memory. As you probably know his mother was extremely tidy and we were 6 living in a shall I say very casual, carefree wild (any thing goes style. Leslie used to come over, often joined us all with our feet on the coffee table and he said it "was relaxing." I was also born in 1941 and My Danny died on a farm building a gate he just dropped also. Very peaceful. A golf course would be the ultimate place, to leave from. God Bless you all. Thanks so much for letting me know.

Tribute from Lawrence Welsh

Relation: School mate at Cowichan High

Over the years we'd run into each other and found him to be a good man. I give my condolences to all the family. I dedicate these words in memory of a father.

I Have So Many Special Memories of You.

I have a lot of special memories of you

tucked away in my heart.

Sometimes, I like to

take them out and remember

all the times you were there

when I needed advice

and all the times you were silent

when I just needed to talk;

the many things you've done without

so I could have all the things I wanted;

letting me make my own decisions

without saying, "I told you so."

No matter how broken my heart,

you were always there to pick me up

and send me back into the world.

I remember all the times

I took for granted:

all your love, all your support,

all your lost sleep, and

all your worrying,

as well as all your smiles,

all your tears, all your help,

and all your advice.

I remember it all, Dad,

I'll never forget anything

you've done.

Tribute from Deirdre & Lawrence Zlomanchuk

Relation: new friends at Arbutus Ridge

We met Les and Katheryn golfing at Arbutus Ridge, and knew that this was a friendship that we would be cultivating: charming, engaging and most of all fun. Les and Katheryn were truly a match made in heaven! Golfing was important to Les but, he could have some fun with it too: On the 15th hole, he was waiting to put a 30 ft. breaking putt, but he could see that Katheryn didn't have his putter when she was bringing the cart around so Les, being a left-hander asked to borrow my right-handed putter and proceeded to sink that putt! How fortunate we are to have met both of them here at the Ridge. Katheryn...I know that from the way he spoke of you....that you were the one! We will all miss him dearly.

Tribute from Mary Dancy

Relation: I worked for Les

I joined Hill and Partners in 1973 when the office was on Station Street. We were squeezed in up above the Royal Bank so in 1975 moved to the luxurious new building on Coronation Ave. I stayed on long after Les left but worked with him and Kathryn for 1 tax season at Atchison Palmer after I retired. Anyone who worked for Les will remember that he LOVED FORMS. He designed a form for everything and I must admit I still use a couple of them yet today. RIP Les. Sending heartfelt comforting thoughts to you Kathryn.
