Tribute from Kilah Whitehead

Relation: family friend

I am shocked and saddened by this news. Please accept my sincere condolences Bob, Jenny and family. I will always remember when I was little, and Leslie would make birthday cakes, money cakes. I thought it was pretty cool. I also thought it was pretty cool when she came to visit me in the hospital a few years back. Leslie will be missed by me. I am sending healing thoughts to the Rogers Family.

Bob and Jennie know that she loved you very much, and that my deepest sympathy goes out to you. I shall always remember Leslie as a good friend and a person I had much in common with. Tribute from Dr. David Heft

Relation: friend

It was with great sadness that I read of Leslie's passing. I had the great privilege of knowing Leslie both as my patient and as a phenomenal office manager who always brought genuine warmth, compassion and professionalism to the office. She was a ray of sunshine and brightened my days and those of our patients. She touched many hearts and will be fondly remembered. She always spoke with love and affection about Robert and Jennifer. To you both, I send my heartfelt condolences.

To Bob and family,

We only met Leslie a couple of times when Bob met her lunch at Hillside Mall. They looked like lovebirds just getting to know each other. She was a lovely person. This is very, very sad news. Our thoughts are with you and your family Bob.
